

The 3rd Asian Congress of Radiation Research (3rd ACRR 2013)

The 3rd Asian Congress of Radiation Research (3rd ACRR 2013) was held from May 10-13, 2013 at Beijing, China in collaboration with China Committee for Radiation Research, National Institute for Radiological Protection and Chinese Society of Toxicology. The theme of the conference is to provide a forum for international cooperation and active discussions and sharing of new knowledge by scientists on health effects of nuclear radiation.

Prof. K.P.Mishra, the Vice President of AARR from India
chairing the scientific session at the 3rd ACRR 2013

Delegates of the 3rd ACRR at Beijing,
P.R.China
